

VEHICLE DESCRIPTION

OWNER/APPLICANT

IS YOUR VEHICLE OPERABLE? ☐ YES ☐ NO

DESCRIPTION OF VEHICLE CONDITION

IMPORTANT: Vehicles reported as "Total Loss" under RCW 46.12.070 that are retained by the owner(s) shown on DOL records may be issued a 60-day temporary use permit pending a scheduled WSP inspection. Registration must be current for the duration of the permit (WAC 308-56A-140).

NOTE: THE PERMIT IS FOR ONE TIME USE ONLY AND MAY NOT BE EXTENDED. THE PERMIT IS VALID FOR 60 DAYS FROM THE DATE OF ISSUE, OR WHEN THE WSP INSPECTION IS COMPLETED, WHICHEVER IS LESS.

I declare that an insurance company has declared this vehicle a total loss. I have determined the vehicle to be operable and am choosing to use the vehicle prior to my scheduled Washington State Patrol inspection. I understand my license plates will be cancelled and new plates purchased upon application for title. I understand a new title will not be issued until the inspection form is completed by the WSP, presented to DOL with other applicable documentation, and any applicable fees and taxes are paid. I understand my vehicle must be insured when being operated on Washington highways (RCW 46.30). I understand DOL is not liable for the operation of any vehicle that violates insurance requirements set forth in RCW 46.30, or vehicle equipment and safety standards set forth in RCW 46.32.

I certify (or declare) under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct.
